ioi My business

Run your business with ease!

Register your **products** and **pricing**, create **quotations**, process **orders**, manage your services by recording time directly against each order, take pictures of your work, collect your customer's signature if required, and **invoice** your work easily.

Send your digital invoice to your customer and a copy to your accountant. **Monitor your performance** with clear reports and stay focused on what matters most your business.

My purchase invoices and payment links too:

I also receive my purchase invoices via **PEPPOL** in UBL format. They are automatically forwarded to the accounting firm of my choice.

A **QR code** allows me to pay my invoices quickly and securely using my banking app.

My benefits:

Wherever you are, Silicon ioi is always with you on your smartphone, tablet, or laptop. Attach documents (emails, photos, or PDFs) at any time and send emails directly from the application.

A 7-day backup is included, and the service is available 24/7.

My business insights:

Do you know which products or services you sell the most? Who are your top 10 customers of the year? What does your sales pipeline look like? **Comprehensive reports and dashboards** are already available, giving you both a high-level overview and detailed insights into your business performance.

Grow with your business:

Need purchasing management, **inventory control**, project management and **planning**, or opportunity management? Upgrade to the Silicon ioi package that best fits your business whenever you're ready. Visit <https://silicon-ioi.online/>.

My accounting too:

Silicon ioi is also available as a complete ERP with fully integrated **accounting** that is **100% compliant with Belgian and Luxembourg regulations**.

MY NEEDS:

- ▶ **Quotations**
- ▶ **Orders**
- ▶ **Time tracking by order**
- ▶ **Digital invoicing via PEPPOL**
- ▶ **Sales and purchasing**
